

STES N GLOBAL

Engineering & Mining Supplies
Celebrating over 20 years of goods excellency

COMPANY PROFILE

ABOUT US

Steson Global (Pty) Ltd was established since 1996 and we are registered in South Africa as a supplier in the engineering and mining sectors. Since the early beginnings, the business has grown from strength to strength and continually searches for new projects and products; leading the way in the supply of state of the art equipment and solutions.

The way we do business is very straight forward, we do a high quality job and provide all our customers with good service, treating their property with respect. We are reliable and competitive with our pricing. It's the way we've managed to grow and develop our business.

VISION

Steson Global (Pty) Ltd aims to becoming a leading supplying and transporting company in Africa by focusing on continuous and sustainable top and bottom line growth.

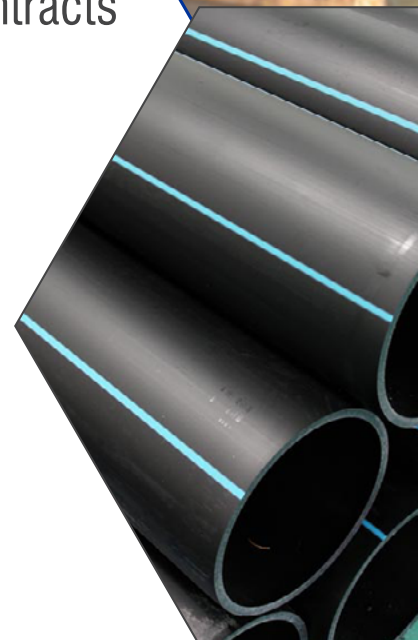

MISSION

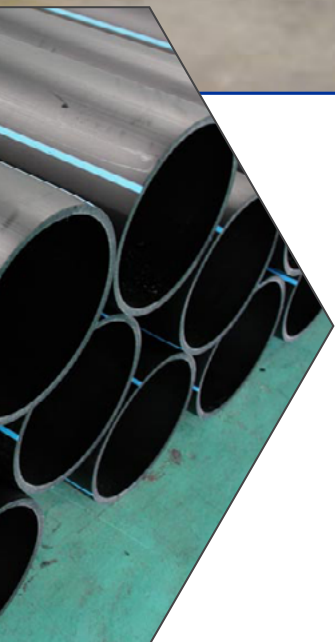

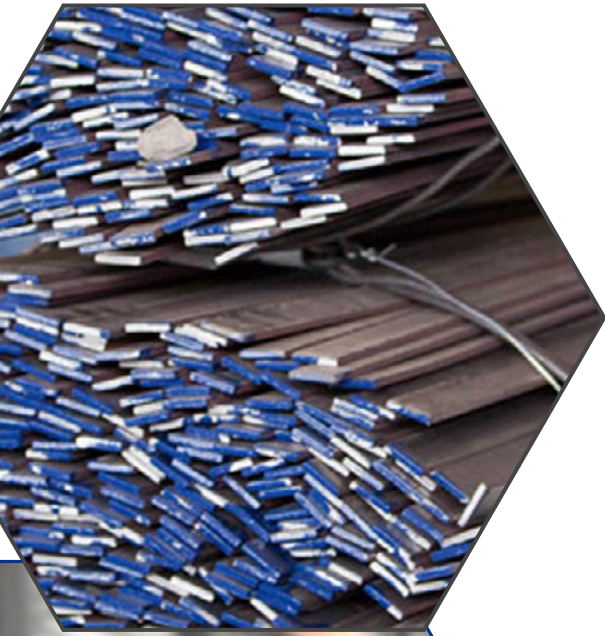

Our mission is to provide our clients with specialized and cost effective products while continuing to grow and expand our scope and location of our activities.

Our short-term objective is to obtain more realizable contracts so as to maximize the optimum usage of our present resources.

OBJECTIVES

- To grow our client base and areas of operations as much as possible,
- To always have the best interest of our clients and employees at heart,
- To provide exceptional returns,
- To make sure we do not harm the environment,
- To prioritise safety.
